Wondrous Item, legendary

This is the embodiment of a high level of wild magic, which can only be contained by 8 classes of magic. These orbs are artificially made to contain many forms of magic and cause mayhem and chaos wherever it reaches, the magic that these orbs can unleash is unmatched. These are magical effects that even the highest-level wizards may never even see in their lifetime.

You can use an action to present the orb to another person and they are presented with a choice, they can feel a tremendous power that the orb has and they must consciously choose to accept the wild magic.
