

Military Ranks

Version 1.00 (October 2022)

Heavily Inspired: <https://www.factmonster.com/us/military/us-military-ranks>
This is the way I am dealing with military ranks in my Minaria Campaign. There are levels of ranking that a character can have and this also determines the power of command.

Level	Name	Rough Number
0	Lieutenants	50
1	Captains	25
2	Majors	12
3	Colonels	8
4	Generals	4
5	Right and Left Hands	2
6	Gods	1
