Weapon (greatsword), uncommon

Attacks made against Fiends and undead using a Nichiren weapon deal an additional 2d6 **Radiant**

Damage. If this damage reduces the target to 0 hit points, it is disintegrated. A disintegrated creature and everything it is wearing and carrying, except magic items, are reduced to a pile of fine gray dust.

The creature can be restored to life only using a true resurrection or a wish spell.

Once the wielder grabs the pure white weapon it begins to alter and glow a color based on the weapon's owner. This determines its effect which is unique to the wielder. The Tenki Blacksmiths specially make these weapons in Wifcaster.

The weapon became void of color and formed a dark blade. Whenever you strike a Celestial with this weapon it does an additional 2d6 **Radiant Damage**.

Proficiency with a greatsword allows you to add your proficiency bonus to the attack roll for any attack you make with it.

Notes: Bonus: Magic, Damage: Radiant, Heavy, Two-Handed
